PROJECTS

Gignova – Startup Marketplace Platform | GitHub November 2025

- Created a marketplace platform that allows **startups to showcase their ideas** and connect with investors and skilled professionals within a single ecosystem.
- Implemented secure **JWT-based authentication** and role-based access control to manage different user roles such as founders, investors, and professionals.
- Designed **RESTful APIs** and database structure to manage startup listings, user profiles, and platform interactions using Node.js, Express.js, and MongoDB.

Skynote – AI-Powered Voice-to-Text Transcription | GitHub July 2025

- Worked with a team to build an app that **listens to audio** and **converts it into text** in any language, with the option to **quickly copy the transcription for immediate use**.
- Developed a **floating voice-to-text feature** that sits on top of other apps, making it easy for users to **take notes during calls**, **classes**, or **meetings**.
- Mobile Voice Transcription & Notes App | Team Project | **Tech Stack**: Android (XML/Kotlin), Speech-to-Text APIs, Firebase

Sefire marketing - Fire Safety & Equipment Website | GitHub August 2024

- Built a complete fire-safety website that showcases **safety equipment**, provides **emergency contacts**, and helps users locate **nearby fire stations** with live data.
- Improved user accessibility through **quick emergency dial** buttons, a clean product catalogs and a login system to make the platform easy and reliable for visitors.
- Fire Safety Awareness & Equipment Portal | Team Project | **Tech Stack**: HTML, CSS, JavaScript , jQuery, PHP, MySQL

CERTIFICATES

- Master Generative AI & Generative AI Tools(ChatGPT & More) | Udemy August 2025
- Build Generative AI Apps and Solutions with No-Code Tools | Udemy July 2025
- Cloud Computing | NPTEL April 2025

ACHIEVEMENTS

- **Solved 223+ Problems on LeetCode** : 2024-2025
  Completed over **223 problems** while consistently practicing DSA concepts across **multiple difficulty levels**.
- **Served as Class Representative :** 2025
  Represented the entire class and acted as the communication bridge between faculty and students for academic coordination and issue resolution.

EDUCATION

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 8.4*** *Since August 2023*
